Humph! I **ADMONISH** you to be **ALERT**, lest you incur my **WRATH** for being **WRONG**. Remember writing sentences using your spelling words? You can see all these words, not only in the box above, but in your Bible Study passage. I **HOPE** you are not **IDLE** in finding them. Don't be **TIMID**. Work **TOGETHER**. You will **SURPRISE** me if **EVERYONE** finishes. Humph!
