

# Increasing Faith & Love

Family Discussion

We ought always to thank God for you, brothers, and rightly so, because your faith is growing more and more, and the love every one of you has for each other is increasing. Therefore, among God's churches we boast about your perseverance and faith in all the persecutions and trials you are enduring.

2 Thessalonians 1:3-4 (NIV)

# Discuss

- What things do you think of growing more and more, even exponentially?
- Paul says the faith of this church and their love for one another was growing this way. What kind of evidence of this would there have been?
- What are some practical things our family can do so that our faith in God and love one another will grow more and more?

# Pray

- Thank God for His infinite love for you. He loves us more than we can imagine.
- Our faith is in a wise, sovereign, and powerful God who loves us. Ask God that your faith in Him might grow more and more.
- Tell God you are trusting Him for problems you or people you know are facing. Thank Him even now for answers to those prayers
