Well, no secret message from the consulate in Galja Siapit (wherever that is, Humph!). Just a list of good theological words. And you've got to find them in the grid. No, you can't use the decoders who are back from the middle school fall retreat. They're busy. It's up to you. We're going easy on you ... no backwards words. Humph! Book reports excused for the first class that finds all the words.
