P L A C L V P I S N D D I H A A M A R H I N T T T E E M Y

Hooligans have been throwing stones at the sign with my quote. The letters fell straight down, but not in order vertically. We need your help to move them back up to their correct position. Replace the letters in the obvious columns with only one letter missing. Then work on the two and three letter words to replace letters which make reasonable words. When you finish, nail the message to the main doors of your church.
